

Packard Bell EasyNote™ All - day multitasking

- Your total computing solution
- Packard Bell Social Networks key
- Available in four alluring colours
- Convenient control keys

The **Packard Bell EasyNote™ series** is the perfect notebook for a combined use at home and on-the-go.

Easy to carry, but at the same time big enough to let you enjoy its multimedia performances, this 15.6-inch notebook is the ideal companion for day-to-day activities.

Use the **Packard Bell EasyNote™** notebook with its 16:9 widescreen LCD display for entertainment or work, it will be always able to support you and your digital life.

With VISION Technology from AMD, and featuring processor options like the new AMD Phenom™ Quad-Core N900 series¹, the **Packard Bell EasyNote™** notebooks let you enjoy HD image quality with amazing details, clarity, colours and definition while watching movies, playing games or show your friends the pictures of the holidays. For a living-room style entertainment, an HDMI™ port connects the **Packard Bell EasyNote™ series** to all HD TV sets.

And with VISION Technology and power-optimized processor technology, the **Packard Bell EasyNote™** notebooks get more battery life so that you can watch up to two hour DVDs or two ninety minute Blu-ray movies on a single battery charge or get fast wireless so you can stay connected to your digital world, surf, shop, chat, play and explore everything the Web has to offer.

For an immersive entertainment experience², the **Packard Bell EasyNote™ series** with VISION Technology from AMD and next generation processing technology, has an optional Blu-ray disc drive and comes with amazing ATI® Mobility Radeon Graphics.

Packard Bell EasyNote™ notebooks are equipped with a multiple card reader, huge storage capacity - up to 640 GB- and the full version of Adobe® Photoshop® Elements 8.

Easy access to social networking

¹ EasyNote LM series features AMD Phenom™ II Quad-Core N930, AMD Phenom™ II Triple-Core N830, AMD Turion™ II Dual-Core P520, AMD Turion™ II Dual-Core P320 and AMD V Series Single-Core V120.

² EasyNote™ Series features ATI® Mobility Radeon™ HD 5470 with 512 MB memory or ATI® Mobility Radeon™ HD 5650 with 1GB memory. Some configurations come with ATI Mobility Radeon™ HD4250M graphics.

Packard Bell EasyNote TM series lets you enter your preferred social networks with a click thanks to the innovative **Packard Bell Social Networks** application.

Press the **Packard Bell Social Networks key** on your notebook and you will directly connect with your friends on your favourite social networks: Facebook, YouTube™ and Flickr.

There is no need to launch an Internet browser, you can post comments, play games, update your profile, view or share photos and videos, and manage your entire online social life directly from your desktop.

A built-in webcam and microphone gear you up for high-resolution face-to-face chats with friends and family, wherever you are.

Stylish as you are

The **Packard Bell EasyNote TM series** is available in four alluring colours on its cover and palmrest: Silk Silver or NightSky Black, chic & distinctive if you like to be noticed, Starlight White if you prefer an essential chic style. Cashmere Red adapts to sporty and energetic personalities.

The mix of glossy and matt finishes with a wave pattern on the cover creates a balance of contrasts and gives the series a unique and appealing look. Glossy black interior is gracefully curved for a deluxe feel.

Convenient control keys

The **Packard Bell EasyNote TM series** is designed for easy style and friendly usage. The easy typing fine-tip keyboard with numeric keypad and the multi-gesture touchpad gives the maximum intuitive and friendly experience.

The **enhanced control keys let you play, stop, go to previous or next track when playing your favourite songs or videos**. The multi-gesture touchpad makes your navigation simple, quick and efficient: manipulate pictures and artwork easily, instinctively zoom in and out, browse photos, websites and documents just with two fingers!

The **Packard Bell EasyNote TM series**, featuring the new AMD processors, will be available in European outlets on May 12th with an estimated street price starting at 499€.

Availability, software offer and technical features may vary according to countries.

About Packard Bell

Packard Bell pioneered the use of the PC in the home, taking an office tool and turning it into a friendly, indispensable feature of today's modern home. Stylish products with cool features, accessible to everyone, are the hallmarks of the brand - a unique combination that no other brand in the European market offers today. In 2008, Taiwan-based Acer Inc. acquired Packard Bell. In 2009, the Acer Group fully benefited from its multi-brand strategy, establishing itself as the second-largest PC company in the world and as the number two worldwide notebook vendor. Within the Acer Group, Packard Bell strives to design environmentally friendly products and establish a green supply chain through collaboration with suppliers.
