Packard Bell EasyNote LX86 LX for luxury

- Premium and stylish design
- Ideal 17.3-inch screen for movie buffs
- Power-packed performance
- One-click social networking

The **Packard Bell EasyNote LX86** notebook sports a 17.3" widescreen display along with a host of practical, easy-to-use, high-performance features, delivering smooth multimedia performance and non stop social networking with suave style.

The **Packard Bell EasyNote LX86** with 17.3" widescreen, sports a chic and superior design reflected by the Arctic Silver colour. The logo name plate, on the cover, discreetly highlights the notebook's slender and stylish profile.

Comfortable usability

This amazing notebook, an ideal alternative to any desktop, offers cool and intuitive simplicity. To listen to music, speakers lie beneath a silver mesh strip complemented by metal-like keycaps, providing great style as well as audio enjoyment via Dolby® surround sound.

The full-size keyboard with numeric keypad makes typing comfortable; metal-like keycaps enhance the suave-looking silver color scheme. Silver-toned multi-gesture touchpad provides effortless navigation using two fingers to scroll, pinch, rotate and flip through web pages.

Easy-to-access keys, on the keyboard, let you easily control the volume up and down. A **programmable key** can be associated to your favourite application, such as launching the full version of Adobe® Photoshop® Elements 8, whenever you want to edit your holiday pictures.

Movie buff

The **Packard Bell EasyNote LX86** is the ideal companion for your evenings at home courtesy of the 16:9 widescreen LED-backlit display accompanied by the thrilling sound of Dolby® Home Theater® v3, especially when the shows are played on the Blu-ray Disc™ drive for an unprecedented movie-watching experience¹. Thanks to the HDMI™ port, the **Packard Bell EasyNote LX86** can be

connected to any HD television or audio/video devices, such as monitors, projectors etc. And the huge storage space, including the option of **dual hard drives**, means you can save all your precious multimedia files without concern, up to 2 x 750 GB.

Power-packed performance

The **Packard Bell EasyNote LX86** packs a **quad-core Intel® Core™ i processor** with Intel® Turbo Boost Technology, for the right amount of juice at the right time, while premium ATI Mobility Radeon™ Graphics² (up to ATI Mobility Radeon™ HD 5850 with 2GB dedicated memory) deliver incredible HD entertainment and play the latest HD games with fabulous visual quality. Of course, **up to 16 GB of DDR3 memory** enables ultra-quick data transfer, so you can play or work efficiently. To complete the picture, the **Packard Bell EasyNote LX86** comes with a 6-cell or 9-cell battery for movie enthusiasts on the go.

Easy access to social networking

The **Packard Bell EasyNote LX86** lets you enter your preferred social network with a click thanks to the innovative **Packard Bell Social Networks** application.

All you have to do is to press the **Packard Bell Social Networks key** on your keyboard and you will enter your favorite social networks directly: Facebook, YouTube™ and Flickr.

There is no need to launch an Internet browser, you can post comments, play games, update your profile, view or share photos and videos, and manage your entire online social life directly from your desktop.

Beyond that, you'll have no trouble staying up close and personal via Wi-Fi® connectivity and the built-in 1.3 MP webcam, microphone and instant messaging software. Also, Bluetooth® 3.0+HS (optional) will help you to share files quickly and easily.

The **Packard Bell EasyNote LX86** is available in European outlets with an estimated street price starting at 849 €

About Packard Bell

Packard Bell pioneered the use of the PC in the home, taking an office tool and turning it into a friendly, indispensable feature of today's modern home. Stylish products with cool features, accessible to everyone, are the hallmarks of the brand - a unique combination that no other brand in the European market offers today. In 2008, Taiwan-based Acer Inc. acquired Packard Bell. In 2009, the Acer Group fully benefited from its multi-brand strategy, establishing itself as the second-largest PC company in the world and as the number two worldwide notebook vendor. Within the Acer Group, Packard Bell strives to design environmentally friendly products and establish a green supply chain through collaboration with suppliers.
