

Packard Bell extends its 15.6-inch EasyNote TV series.

- Stylish inside and out
- One-click function keys
- Seamless social networking experience
- New set of specifications for great daily use

The 15.6-inch *Packard Bell EasyNote TV series* sets a new balance between design, performance, usability and affordability. It now comes with a new set of features for great daily use.

Style statement, social networking portal, multimedia hub, Full Adobe® Photoshop® Elements preinstalled and so much more, the new 15.6-inch *Packard Bell EasyNote TV series* does it all.

Stylish inside and out

Open or closed, this is a notebook that looks and feels great. On the outside, a stylish bamboo weave design gives a sense of calm and durability enhanced by a sleek and curved finish. On the inside, the same bamboo weave on the palmrest, added to the comfortable chiclet keyboard with coloured surround, makes it stand out from the crowd.

Smart hotkeys for a smoother user experience

The social networking key is just one of several one-click hotkeys that give you instant access to the features that matter most. In one button press, you can play your favourite music, adjust the volume, or connect up to local WiFi®. Press the MyBackUp key and you access Nero® 10 Essentials – the market-leading backup software – where you can easily and quickly schedule your backups to run in the background. So you can enjoy complete peace of mind, knowing that your data is safe.

Non-stop social networking

As for social networking, it's a breeze with the **Packard Bell EasyNote TV series**. No wasting time signing in to multiple sites – just press the social networking key and you connect simultaneously to your favourite sites, including Facebook, Flickr, YouTube[™] and Twitter. With more of us spending hours every day on social networks, this instant access has mass appeal.

New set of specifications for great daily use

Of course, looks aren't everything. The *Packard Bell EasyNote TV series* is beautiful to look at, but also delivers great performance for multitasking and is now powered by Vision Technology from AMD.

Among all the options offered by Packard Bell, the *Packard Bell EasyNote TV series* now features the AMD A10-4600M Accelerated Processor with AMD Radeon™ HD 7670M Dual Graphics¹.

Of course 1 TB storage capacity, a HDMI® port and 1 USB3.0 port complete the picture.

Price and availability

The *Packard Bell EasyNote TV series* featuring the 2nd generation multi-core AMD APU is available on shelves starting at an estimated street price of €399.

Availability, software offer and technical features may vary according to countries.
