New VISEO 191 LED by Packard Bell Sense of style

- 18.5" LED-backlit widescreen monitor
- Ultra-slim at just 18 mm, rounded edges, glossy finish
- Multimedia performer with stereo speakers¹
- Environment-friendly: low power consumption, mercury-free

The brand-new **Packard Bell Viseo 191 LED** perfectly shows-off the "PB" style. Perfect balance of design, features and affordability, it has a distinctive **ultra-slim** outline, confirming the great vocation of the brand in creating stylish complements, able to fit every kind of interior decoration while definitely catching the attention.

The ultra-slim 18mm thickness of the **Packard Bell Viseo 191 LED**, plus its rounded edges and glossy black finish, make this monitor a true piece of modern elegance. Its sleek design gives a special touch to any space in your home or studio and perfectly harmonize with Packard Bell notebooks, netbooks and desktops, for an all-inclusive "PB" style.

With its **18.5" LED-backlit** widescreen, 410 (H) x 230 (W) mm, it perfectly adapts to any space and usage.

Great **multimedia performer**, the new **Packard Bell Viseo 191 LED** also comes along with stereo speakers¹ for a surrounding experience.

It features a 16:9 widescreen aspect ratio and comes with an advanced 12 million:1 dynamic contrast ratio for a sharper image. The fast 5-ms response time offers flicker free performances for an exceptional picture.

Ideal for gaming, watching movies, enjoying at the very best your multimedia life, **Packard Bell Viseo 191 LED** allows pure digital DVI connectivity thanks to its DVI input² with HDCP support for DVD players and other external devices, in addition to regular VGA input.

¹ Speakers available on Viseo 191 LED Stereo model only.

² DVI input is an optional feature.

Eco-friendly

The **Packard Bell Viseo 191 LED** monitor is environmental friendly. Mercury free and ENERGY STAR® 5.0 compliant, Packard Bell monitors use less energy (up to 68% less), helping the environment while saving your money.

The **Packard Bell Viseo 191 LED** is now available in European outlets.

The **Packard Bell Viseo 191 LED** Stereo will be available in European outlets in December 2010.

Availability and street price vary according to country.

About Packard Bell

Packard Bell pioneered the use of the PC in the home, taking an office tool and turning it into a friendly, indispensable feature of today's modern home. Stylish products with cool features, accessible to everyone, are the hallmarks of the brand - a unique combination that no other brand in the European market offers today. In 2008, Taiwan-based Acer Inc. acquired Packard Bell. In 2009, the Acer Group fully benefited from its multi-brand strategy, establishing itself as the second-largest PC company in the world and as the number two worldwide notebook vendor. Within the Acer Group, Packard Bell strives to design environmentally friendly products and establish a green supply chain through collaboration with suppliers.
